OFFICIAL STATEMENT FROM CHAIRWOMAN KING
RE: REDISTRICTING

The City of Miami Commissioners adopted a map that acknowledges what the plaintiffs admitted, DISTRICT 5 IS SUBJECT TO THE VOTING RIGHTS ACT. The map was drawn with an emphasis on using natural and manmade boundaries to the maximum extent feasible and maintains traditional neighborhoods. D5 serves a community rich in culture, tradition, and diversity, that has significant economic and employment potential. Little Bahamas remains in D2! Overtown shall remain in D5!
